Zanes Law Opens Glendale Office for Personal Injury Clients

New location is second in Phoenix and fifth overall for Arizona-owned family firm

Tucson, Ariz. (Nov. 12, 2013) – Arizona-owned personal injury firm Zanes Law opened its Glendale offices on Nov. 1. Located at 6601 W. Bethany Home Road, Suite A10, the office is Zanes Law’s second in Phoenix, following the opening of a Thomas Road office in September.

The new office gives Phoenix residents convenient, ready access to Zanes Law. Established in 2003, Zanes Law is an 11-year firm with five offices, a track record of success on behalf of their clients, and 40 years of combined personal injury experience. CEO/Responsible Attorney Doug Zanes has won settlements exceeding \$1 million for clients; Claudia Zanes, Director of Business & Marketing (Non-Attorney), manages the company’s business, finances and community projects.

The office marks a return to Phoenix for Doug Zanes, a Douglas native who obtained his undergraduate degree from Arizona State University. After graduating from law school at St. Mary’s University of San Antonio, Texas, Zanes practiced law in Phoenix before starting his own firm in Tucson in 2003. Since then, he has represented thousands of clients and is a member of the Multi-Million Dollar Advocates Forum, to which less than 1% of U.S. lawyers are admitted.

Born in Nogales and raised with few material comforts, Claudia Zanes was an award-winning sales professional before starting Zanes Law with Doug in 2003. While Doug is fluent in Spanish, Claudia has led the firm’s presence in Arizona’s Hispanic community. Today, Zanes Law is widely known for providing personal injury representation that is fully bilingual as well as effective and successful.

Phoenix residents who entrust Zanes Law with their cases will find that they become part of the family. “We are never too busy for our clients. We are a family business, and always will be. This is very important to us,” said Doug Zanes. “Even as we expand to serve clients throughout the Valley, you’ll always be able to walk in and talk to us.”

The new office will also continue Zanes Law’s tradition of community involvement. The company has a strong track record of giving back, particularly to child- and family-oriented causes, and will continue to do so in Phoenix and Glendale.

“Every day is an opportunity to give back to the community,” Claudia Zanes said. “It’s something that’s deeply rooted in our company, and has been from Day One. We are grateful and happy to be here in Glendale, able to assist families in difficult circumstances.”
